

2025 MASONIC GRANT ELIGIBILITY REQUIREMENTS

READ ALL documentation BEFORE filling out this application. All applications must be completed correctly and include the required documentation listed below to be eligible for funding. Incomplete applications and/or applications without proper documentation will be rejected.

Funding: Funds are provided by the Masonic Charities Foundation Grant and distributed through SODA, AAA for direct services to the elderly. It is the policy of SODA to serve all individuals who are eligible for its programs without regard to race, national origin, ancestry, color, religion, sex, age, or disability.

Age Restrictions: Applicants must be **55 years old or older** at the time of application.

Residence Requirements: The applicant must reside in SODA's ten-county service area which includes: **Atoka, Bryan, Carter, Coal, Garvin, Johnston, Love, Marshall, Murray, and Pontotoc counties. Only one application per household may be submitted.**

Need Requirements: Masonic Grant funds are allocated based on **need**. Applicants must be able to demonstrate that their request is based on **NEED**. This grant is not intended to fund projects that the applicant can or should be able to afford based on their income/expense ratio, cash on hand/savings in the bank, stocks, bonds, etc. Grants are intended to fund projects for basic needs of applicants who could not otherwise afford to pay for the item/service they are requesting.

Previous Recipient Restrictions: Masonic Grant funds are **primarily** intended for one-time use; however, previous applicants may apply under the following conditions and with the understanding that new applicants will be given priority. Any applicant who received a Masonic Grant in 2022 or 2023 is ineligible to apply for a 2024 Masonic Grant. Applicants who received a Masonic Grant in 2021 or earlier may re-apply again in 2024 with the understanding that preference will be given to new applicants.

Fairness and Accessibility: Complete applications submitted with the proper documentation will be processed on a first-come-first-served basis while complying with these fairness and accessibility rules.

Information Available: SODA will make the Masonic Grant Application available online at www.soda-ok.org and at community focal points within the provider service area (counties listed above). All citizens will be granted equal access to the application.

REQUIRED DOCUMENTS

Applicants must submit:

1. Masonic Grant Application completed correctly.
2. Vendor Estimate from an approved Vendor performing the work.
3. Required documents (W-9, Worker's Compensation & ACH Direct deposit form)

Note: SODA has no preference regarding who an applicant uses for a vendor, but **vendors must be on the SODA Approved Vendor List**. If a vendor is not on the Approved Vendor list, they may apply by providing SODA with the following: (1) W-9 form, (2) Proof of Worker's Compensation for its employees, **and** (3) ACH Direct deposit form. These forms must be submitted with your Masonic Grant application. If your vendor is not on the Approved Vendor list or you do not submit these documents with your application, it will NOT be processed. Service providers can contact Teri Kaleiohi, (580) 920-1388 for more information.

VENDORS/PROVIDERS MUST HAVE A W-9 FORM, PROOF OF WORKER'S COMPENSATION FORM FOR THEIR EMPLOYEES AND ACH DIRECT DEPOSIT ON FILE AT SODA TO BE PLACED ON THE APPROVED VENDOR LIST.

Selection of a vendor is the applicant's responsibility. Any satisfaction disputes regarding services or products purchased are between the applicant and the provider/vendor. SODA assumes no interest or liability. SODA's role is solely to determine eligibility and manage the grant funds.

ELIGIBLE PROJECTS

Each category of projects has a maximum award. In some cases, the award may not be enough to cover the entire cost of the item/service requested. In such instances, the applicant is responsible for the balance and must make arrangements for paying the balance in the manner prescribed by the vendor **before** being awarded a Masonic Grant.

Applicants are eligible to request funding for the minimum cost to meet the NEED. For example, there is a range of prices for most appliances; funds must be requested to meet the minimum need/purchase price for such item/service.

Please note that the higher the estimate, the more the estimate will be scrutinized. If the vendor's quote is higher than the allowable grant funding for that service/item, the applicant may pay the difference or find another vendor with a less costly estimate. An applicant may not upgrade to a higher priced item where a lower priced item is available, e.g. upgrade to one with more features or that is larger, etc. unless based on demonstrated need with specific written permission provided by SODA.

Written permission will be required to purchase any item beyond a normal or customary price. This program is not for wants but funds may be granted if the applicant can adequately describe why they NEED a different item than what is available at a lower price. Any applicant or vendor determined to violate these instructions may lose their eligibility to participate in the program for the rest of 2024 through 2027.

IDENTIFY ALTERNATE CONTACT AND INCLUDE THEIR TELEPHONE NUMBER WITH AREA CODE:

ASSISTANCE REQUESTED: **Read through these instructions to help identify what assistance you need the most.** You can only apply for **ONE** type of assistance. You must describe what type of assistance you are requesting (i.e. dental work, hearing aids, glasses, ramp, kitchen appliance, etc.) You must also briefly tell why you need the assistance. Just because you want something does not necessarily qualify it as a need. Remember, the purpose of this grant is to help those who are in NEED. For instance, if you are requesting a new refrigerator because your current one is getting old or doesn't match your other appliances, this request will not qualify as a need. If the appliance is no longer working, and it is not feasible to pay to repair it, the request would qualify as a need.
